Educational Support Services Trust (ESST)

To whom it may concern

A LETTER OF RECOMMENDATION

ESST have been actively supporting the fight against HIV/AIDS and TB in the Nelson Mandela Bay Health District. As the population growth far exceeds the expansion of our health services We welcome their contribution and recommend them for further funding.

ESST have especially excelled in distributing vital information in our communities through various leaflets and we specifically would like to acknowledge it.

Yours Sincerely

Dr.F.Fourie
